Cut Tax NOW!

To: The Lib Dems think that most people pay too much tax. We want to make the first £10,000 you earn TAX FREE. This would mean an average tax cut of £700 per year and would mean people earning minimum wage or in a part time job would pay little or no tax at all! It would be paid for by making sure that millionaires pay their fair share, by closing tax loop holes and putting a tax on houses worth over £2 million.

We the undersigned call on the Prime Minister to back Lib Dem plans to cut tax for those on low and middle incomes, so that the average person saves £700 per year and people on minimum wage or in part time jobs pay little or no tax at all.
